Hurry, hurry!
If you don't come, who's going to pay for us?
Something that I can't tell anyone.
A secret that belongs solely with me
A sweet...

Are you coming back to eat breakfast tomorrow?

Don't wait for me, I have a meeting in the morning again...

Then you have to eat a good breakfast! Don't skip meals because you find it bothersome...

Fine, fine. Go to school by yourself tomorrow, I'll pick you up in the evening.

Ah.. the eggs are almost out

When you come home, pick up a box on your way.

....Hmm
Understood....

When are we going shopping for the stuff we need for our ski trip the day after tomorrow?
Let's talk about that tomorrow, you should rest early...

I have something to take care of over here, let's talk later...

Why did you hang up as soon as I came in? That's so mysterious...
Not at all..
You've been very suspicious these past few days! Are you keeping something from me?

What could I be keeping from you?
And aren't you more suspicious...? Why do you keep coming here when you should be doing your rounds?

I'm here, of course, because I have good news...
News from a reliable source! Your application for a sabbatical abroad has been approved, you'll get notification about it in a couple of days.

Really...
That's really great...
Why is it that you don't seem too happy about it...?

We won't even get there by noon if this keeps up!

Why aren't you driving faster?

.....

??

Where are you going??

Rattle rattle

Rattle

Are you sure that road won't have problems?

Last time we went, my friend got stuck on that route. The road condition isn't great, but there definitely won't be any traffic.

Then we'll get to the ski resort by noon?

Shouldn't be a problem.

That's great!

I climbed a mountain and I turned around

And I saw my reflection in the snow covered hills

Well the landslide brought me down...

Can I sail through the dancing rain with a?

Can I humble the prayers of my life...

You cheeky pyromaniac...
Why would you promise something you can't do?!

It's so beautiful...
Actually...
Here is fine...
It doesn't matter whether or not we can go skiing.
We don't need to go anywhere special, do anything special...

Staying like this with you is already very nice.
Driving together to a random place, driving into space together, getting lost together.
It already does.
And eating my disgusting cooking together.
Watching boring old movies with me...
Waking up early with a middle aged person...
